## COMPUTER DESIGN & INTEGRATION LLC RECEIVES ENTERPRISE PARTNER OF THE YEAR AWARD AT THE 2009 EMC NORTH AMERICA PARTNER COUNCIL

### Computer Design & Integration LLC. Recognized For Consistent Strong Performance and Continued Revenue Growth in Enterprise Market

**SAN ANTONIO, Texas, November 2009** – Computer Design & Integration LLC (CDI) was named the Enterprise Partner of the Year at the 2009 EMC® North America Partner Council meeting which took place in San Antonio, TX, on Nov. 3, 2009.

EMC's Gregg Ambulos, Vice President Americas Channel Sales, said, "CDI is committed to providing the best IT solutions to their clients. Their investment in EMC's certification programs and alignment to EMC's technology offerings has been very valuable to both companies. They have a strong team of IT professionals, enabling them to offer the support and expertise that businesses in the Enterprise space need in this challenging economic climate. We are pleased to recognize CDI for its accomplishments."

EMC's Partner of the Year awards recognize valuable partners who have exceeded joint sales and business goals, achieved significant market penetration, and provided superior support throughout the year.

"This award reflects the close relationship and partnership shared by CDI and EMC," says CDI President Eric Bakker. "CDI's No. 1 technology partner continues to deliver innovation to our mutual customer community through development and acquisition. This makes it easy for CDI to represent EMC's broad-based offerings. As EMC's technology and CDI's services and sales capabilities evolve, I am certain we will further advance our trusted partnership."

CDI, which makes its corporate headquarters in Teterboro, N.J., provides comprehensive and innovative technology infrastructure services that solve complex business challenges. Founded in 1995, more than 80 percent of its 500 customers hail from the financial services, pharmaceutical, healthcare, retail, and media and entertainment industries. Close to 85 percent of these relationships are ongoing.
